

CLAPA MEMBERSHIP APPLICATION FORM FOR 2019

CLAPA – Who are we? Well the initials stand for Control Line Aerobatic Pilots Association, a group of enthusiasts who established themselves into an Association over 40 years ago to promote and encourage interest in all forms of control line Aerobatics. Whether your interest lies in F2B, Classic, Vintage, Class 2 or Profile, CLAPA has a committee of seven members dedicated to the advancement of all forms of C/L Aerobatics within the UK.

For the sport or Sunday flyer bogged down with technical problems CLAPA could be a lifeline. All the top control line flyers in the country are CLAPA members and are always willing to help fellow modellers in distress. No matter what sort of C/L Aerobatic problem you have, CLAPA can solve it!

To view more information about CLAPA, why not visit our website at: www.clapa.org

So what does it cost to join the Association? Just £20 per annum for the UK, £26 for the rest of Europe (including southern Ireland) and £30 for Family Groups. For that you get six copies of the bi-monthly CLAPA Newsletter 'Claptrap', access to help from committee members for technical queries, and entitlement to fly in the annual CLAPA Championships held in June each year. So why not give us a try for a year?
